

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take
Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for cod liver oil—are prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like cod liver oil, yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results.

There are now 180,000 trout fry in the South Vernon rearing station.

At a meeting May 3, the village of Swanton voted to purchase the water power and real estate of the Higginette Manufacturing company.

A man employed at Oliver Bush's on the G. C. Wright farm in Grand Isle was so badly poisoned with poison ivy that he was taken to Mary Fletcher hospital for treatment.

Rev. Charles F. Burroughs, for eight years and up to January, 1914, pastor of the Universalist church at White River Junction, died April 30 in Wakefield, Mass. He had filled many offices in the grand lodge of Vermont, Knights of Pythias.

Carl A. White, while working in his shop in Newport, was using the buzz planer when in some way his left hand came in contact with the knives, which severed the hand from the left side of the wrist to the base of the forefinger, leaving only the forefinger and thumb intact.

In a bag of mail received at the Vermont postoffice May 4, was a package of letters, 20 or more, postmarked Boston, Aug. 27, 1915. Where they have been is a mystery, but from their condition it appears that they had laid out in the snows of winter, having probably been lost in transit and found this spring.

When a horse belonging to Henry Squires of Coventry, attached to a buggy and hitched at a Newport store, became frightened and ran away Tuesday, two very serious accidents were narrowly averted. Mrs. Irving Leavens, with her two-year-old daughter in a baby carriage, and just ahead of her three-year-old Ruth Hackett, were in the path of the runaway, which struck the baby carriage, overturning it and the wheels of the buggy passed over the head of the baby. The Hackett girl was also struck and knocked down, the buggy wheels passing over her neck, but the horse did not hit either child. The Hackett child was badly bruised about the head and neck, while the Leavens baby has a badly swollen upper lip, one black and blue cheek, cuts on the forehead and two large bumps on the back of the head.

The 44th state convention of the Y. M. C. A. of Vermont will be held at Burlington May 26, 27 and 28, with the convention theme, "Remembering the Past, What of the Future?" Noted speakers have been secured. The meeting will begin with the dinner on Friday evening. Saturday will be filled with addresses and conferences and Sunday will be church day. Members of churches, Bible classes and brotherhoods, as well as members of the Y. M. C. A., will be welcome. There is no limit to the number to be accommodated. The people of Burlington will give free entertainment to those who desire it. Friday evening's dinner is to be at the Van Ness, followed by addresses. Those planning to attend should notify Joseph T. Stearns, Burlington, not later than May 24.

GREINA GREEN BOOMING.

Bellows Falls Issued 73 Marriage Licenses in April.

Bellows Falls, May 8.—The reputation of Bellows Falls as a Greina Green was maintained in April, as 73 licenses were issued by Town Clerk L. S. Hayes and his assistants during the month. Practically all of the couples came from Massachusetts. Greater Boston and Worcester furnished the larger number of those who applied for licenses.

The oldest person granted a license was 63, and the youngest was 15.
